

CROOKHORN COLLEGE

1st October 2020

Dear Parent/Guardian

itslearning development video

We are a few weeks into the year and all students are well into their learning.

I would like to take a few minutes of your time to share a video with you, that will show you the developments we have made to the way that we use itslearning.

The process around completion of assignments, submission of work and use of the messaging system have not changed. However, we have introduced the use of the 'itslearning planner' to further support the 'blend' of learning between what is delivered in College and what can be done independently at home. The planner is an organisational tool which keeps all the details and resources of a lesson in the same place, in chronological order.

Please can I ask that you and your child take a few minutes to watch the video in the link below, which demonstrates how to use this development.

I would also like to remind you of the support materials in the 'IL Support' tab at the top of the itslearning page; where videos demonstrating the mobile app can also be found.

<https://www.youtube.com/watch?v=ha0aM3yFeus>

If your child has any questions in the use of itslearning, they should speak to their PSHE tutor.

If you have any questions, please do not hesitate to email Mr Brunink –
itslearning.admin@crookhorn.hants.sch.uk

Yours sincerely

Mrs S Bennett

Headteacher
