

Year 11 Geography Curriculum:

Year 11						
Topic/Unit title	Challenges in the human environment: Changing economic world		Living with the physical environment: Natural Hazards			
Big Questions	What are the impacts of rapid economic development in Nigeria?	How has the UK economy changed over time?	Why is it so challenging to live with natural hazards?	Why is it so challenging to live with natural hazards? Tectonics	Why is it so challenging to live with natural hazards? Weather	Why is it so challenging to live with natural hazards? Climate change
NC Links	Locational skills. International development. Human processes – Economic activities – primary, secondary, tertiary and quaternary. Identification of statistical anomalies – skills.	Locational skills. International development. Human processes – Economic activities – primary, secondary, tertiary and quaternary. Identification of statistical anomalies – skills.	Locational knowledge, physical processes – plate tectonics. Analysis if evidence, mapping skills, geological timescales. Human interactions – risk management in tectonic areas – LICs and HICs.	Comparing HICs and LICs with geographical models (Tectonic theory and impacts in different locations). Mapping, photograph and satellite image analysis. Locational knowledge, physical processes – plate tectonics, geological timescales.	Locational and place knowledge. Physical geography – Atmospheric systems Human and physical interactions changing environments. Human interactions – risk management in LICs and HICs.	Interactions of human activities on natural systems and physical processes. Locational skills – Maldives, Solomon Islands, coral reefs and importance of international agreements.
Assessments	Variety of exam questions used as CFU Mid unit assessment (exam questions)	Variety of exam questions used as CFU End of unit assessment (exam questions)	Variety of exam questions used as CFU	Variety of exam questions used as CFU Mid unit assessment (exam questions)	Variety of exam questions used as CFU Mid unit assessment (exam questions)	Variety of exam questions used as CFU End of unit assessment (exam questions)
