University Data Sharing

Dear Parent/Carer

As part of our careers education programme students get the opportunity to work with several local universities. These are:

University	Link to Privacy Notice
Portsmouth University	https://www.port.ac.uk/about-us/structure-and-governance/policies-and-standards/privacy-policy
University of Southampton	https://www.southampton.ac.uk/about/governance/policies/privacy-policy.page
Solent University	https://www.solent.ac.uk/disclaimer/privacy-policy
Bournemouth University	https://www.bournemouth.ac.uk/about/governance/access-information/data-protection-privacy
Southern Universities Network	https://www.sunoutreach.org/privacy-policy/

These programmes are delivered both virtually in school during PSHE/Tutor and physical workshops and events at the University.

To enable us to work with these universities they require us to share the following data for education purposes and so they can track the impact of their programme:

Student First Name & Last Name

Student DOB

Student Address

Student Sex

Ethnicity

Disability

If the student is pupil premium

If the student is in care or a carer

If the student is a service child

If the student is a young carer

If the student would be first generation Higher Education (if either parent has been to university)

Information on how this data is stored can be found at the universities privacy-policy pages and are listed in the links above.
