Headteacher's Blog

Crookhorn College's Headteacher Mrs Bennett has recently updated her [Headteacher's Blog](#) on our website with her entry for October 2018.

Messages

Crookhorn College has invested in GCSE Pod, which is an online website that allows students and parents to access 1000's of videos that have been written to support a child's independent study. These videos will be used as homework or revision tasks for all Year groups.

Your child has been given a username and password to access the website by their teachers so please look through the site with your child and download the app which means they can access the videos anywhere.

If for any reason your child has not been given a username and password, please see the 'How to log in' on the attached poster and if there are any questions please contact Mr Collins or Mr Brunink at the College.

SUPPORT YOUR CHILD ON THE PATH TO SUCCESS

Your child's school has invested in the award winning resource, GCSEPod, to help your child reach their goals! Join the thousands of parents encouraging their children to use GCSEPod to support learning, homework and revision.

Wow! Emma actually asked if GCSEPod counted as revision as she can't believe it. I can't believe it either! How fantastic to have a resource that meets students on their level, I am blown away! She actually does not feel as though she is doing revision!

Parent

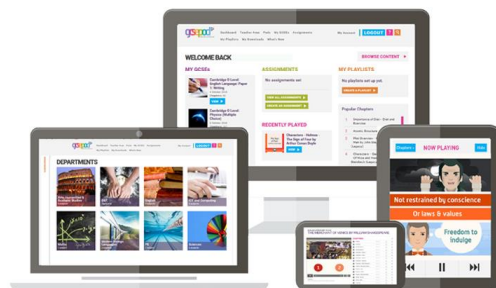

I use GCSEPod to create mindmaps and flash cards, then watch the Pods back to consolidate my knowledge. I also watch them to recap information from lessons so I have a good understanding of the subject content. I like that the Pods are short and concise. Plus they contain information that will allow me to answer the exam question.
