Headteacher's Blog

Crookhorn College's Headteacher Mrs Bennett has recently updated her [Headteacher's Blog](#) on our website with her entry for October 2018.

CROOKHORN COLLEGE

Crookhorn College's Parent and Teacher Association include parents of both past and present students, as well as representatives from the college staff. The aim of the association is to support the students and staff in any way they can. This includes coordinating fundraising events which have enabled the college to purchase new resources and equipment for our students. These include iPads for our PE and technology departments, LEGO MINDSTORMS sets for our Robotics Club, new kits for our netball team and funding towards students going on trips and to reward events.

The PTA is always very keen to welcome new members to the association. This could be simply as an occasional helper in serving refreshments at parents' evenings, up to a more active role on our committee, attending a monthly committee meeting. Any offer of help, large or small will be much appreciated.

7 REASONS TO JOIN OUR PTA

1. Your child benefits

The PTA is an important part of the college and helps to enrich your child's college experience. Our fundraising has provided extras for the college such as new iPads for classrooms, sports equipment and kits, funding towards students going on trips and extra curricular activities.

2. To make a difference

As well as fundraising for college equipment, the PTA organises events which add so much to our children's college experience. In the past the PTA have helped raise funds for the students' seasonal reward trips, receiving prom tickets and producing the Year 11 Yearbooks.

3. We have fun

Being part of the PTA is a fun and rewarding experience and we host fantastic events where parents can get together and make new connections. Our popular Quiz Night is a fantastic social evening as well as raising valuable funds for the college.

4. Make friends

Many friendships develop from being part of the PTA. Volunteering your time and working towards a common goal is a rewarding experience and many long-lasting friendships are formed while being part of the PTA team.

5. Feel involved

Every parent is welcome to our meetings and we love to see new members. Please consider coming along to our PTA meetings, AGM or volunteer a few hours of your time at an event. It's a great way to get involved and feel part of our college community.

6. Give a helping hand

We realise that every parent is busy so we welcome job-sharing roles in the PTA. Many hands make light work so if more people come forward we can share the work, making it fun for everyone.

7. Keep our PTA going

As parents move on from the college, there is a real danger that there will no longer be a PTA to carry on providing this valued resource. Please do consider helping, maybe teaming up as a group of parents, to help with the running of the PTA.

If you are interested in finding out more about our Parent and Teacher Association, please email PTA member Anita Netherton - anetherton68@gmail.com or contact Sam Flint, Chair of the PTA on **07888 673 097**. Alternatively, if you leave your name and contact details at the college reception, a member of the PTA team will get back to you.
