A new girls only football session has started at King George V 4G pitch on Mondays, organised by Pompey in the Community.

Funded through the Premier League, they'll be running a new drop-in football session completely free for girls aged 8-16 out of the new KGV football complex.

The sessions are aimed at providing additional football opportunities for females in a safe environment via our Premier League Kicks programme. Along with providing free football, our sessions are supported by qualified youth workers who can provide pitch edge mentoring and informal workshops around critical themes such as life skills, mental and physical wellbeing and so much more. Participants can also access additional provision and represent Pompey in regional and national festivals and events.

Players will need to provide their name, DOB, emergency contact details and post code to register.
