If you have any unused, or unwanted trainers or football boots and are willing to donate to the College it would be much appreciated. Donations can be dropped off to the PE department and in return your child will be rewarded with house points.

There are a number of coats at reception if your son/daughter has lost a coat please send them to reception to check.

We also have a number several water bottles that will be disposed off at the end of term.

Please can you ensure that your child's belongings are labelled to enable us to return them promptly.

At Crookhorn College we have held the Quality in Careers Award for over 15 years, this award is re-assessed every three years. We will be re-assessed in December 2023.

“The Standard requires secondary schools and colleges to demonstrate that their careers programme:

- *has strong leadership from the Head Teacher/Principal, the senior leadership team and the governing body*
- *has effective training for staff involved in planning and delivering the careers programme*
- *includes all pupils and students*

The school or college must have an effective programme of careers education, enterprise and employability including work-related learning opportunities for students.

Employers, as well as further and higher education providers, must be involved in the programme to open up and increase students’ understanding of a wide range of options, routes and providers of apprenticeships, internships, colleges and universities.”

We welcome any feedback on our programme from students and parents and will share the progress of this assessment once it is completed.

If you have any feedback or questions, please contact the careers leader Clare Mack
