Notices

To help with your planning and organisation throughout the year, please do use the electronic calendar on our website.

You can access these dates if you go to the news and events tab and click on College Calendar or key dates 2023/24. This calendar includes all our training days, parent's evenings, Student Progress Review (SPR) days as well as other key events.

Swap Shop

The PE department are trying to ensure that all students are able to access the correct equipment for lessons. If you have any unused, or unwanted trainers or football boots and are willing to donate to the College it would be much appreciated. Donations can be dropped off to the PE department and in return your child will be rewarded with house points.

At Crookhorn College we have held the Quality in Careers Award for over 15 years, this award is re-assessed every three years. We will be re-assessed in December 2023.

"The Standard requires secondary schools and colleges to demonstrate that their careers programme:

- *has strong leadership from the Head Teacher/Principal, the senior leadership team and the governing body*
- *has effective training for staff involved in planning and delivering the careers programme*
- *includes all pupils and students*

The school or college must have an effective programme of careers education, enterprise and employability including work-related learning opportunities for students.

Employers, as well as further and higher education providers, must be involved in the programme to open up and increase students' understanding of a wide range of options, routes and providers of apprenticeships, internships, colleges and universities."

We welcome any feedback on our programme from students and parents and will share the progress of this assessment once it is completed.

If you have any feedback or questions please contact the careers leader Clare Mack
