Fri	06/11/2026	1.20pm	11	English Literature 2	1h		

Notes

Before entering your exam, please make sure that your phone is turned off, watches are taken off, blazers taken off, remaining pockets are empty and everything is placed in your bag.

In exams where there is more than one subject you will need to check that you have the correct paper.

In exams where there are tiers, you will need to check that you have the correct tier paper.

If you have an access arrangement and you think that you have not received something that you need, you will need to put your hand up at the start of the exam and ask the invigilator.

In these mocks, all students have the opportunity to stay for extra time, if you think it will help you, remain seated at the end of the exam, you will be given a blue colour pen to continue writing.

The majority of students will be collected from their exam by their class teacher at the end of normal time.

On Friday morning, the extra time break will be in the Canteen.
