

# A brief Overview of the Parent Homework Portal

Click **Courses** – from here you can select relevant courses that you are enrolled in. At present you will only be enrolled in the *Parent Page*

Click **your name** – you can change your details and settings

Click **Your Children** to see a list of your children currently enrolled at Crookhorn. Parents with only one child with us will see their child's name

Having selected a child, you can see the Tasks they have to do. Clicking a task will open it, showing the instructions and any attached worksheets

Clicking the **Completed** tab will show the tasks that your child has finished, and any overall assessments that have been awarded

Underneath the Tasks List

The course overview box will have a list of all the subject courses your child is enrolled in. Not all subjects assess in Its Learning. For those that do, clicking on the icon will take you to the assessments page and for that course and show feedback comments and assessment grades
