

CROOKHORN COLLEGE

Statement of Behaviour Principles

Crookhorn College is a community in which outstanding behaviour is nurtured in order to create an ethos and environment conducive to maximising an individual's potential to achieve and succeed.

All students, staff and visitors are free from any form of discrimination.

Every student has the right to feel safe, valued and respected, and to learn free from the disruption of others.

It is the responsibility of all staff to ensure that all Crookhorn students maintain excellent behaviour at all times.

Staff and volunteers are expected to act as role models, displaying positive behaviour at all times.

Students play a key role in modelling and promoting excellent behaviour to their peers.

The support of parents and carers is essential in promoting positive student behaviour.

Rewards and sanctions are used consistently by all staff.

Underpinning our Behaviour Policy are our four cornerstones:

- Respect
- Responsibility
- Commitment
- Achievement

The Governing Body also emphasises that violence or threatening behaviour will not be tolerated in any circumstances.
