January 2023

Dear Parent/Guardian

## Virtual Parents' Consultation Evening – 18<sup>th</sup> January 2023, 3.45pm - 6.30pm

I would like to invite you to sign up for our virtual Parents' Evening on Wednesday 18<sup>th</sup> January 2023.

Parents' Evenings are an important evening and provides you with an opportunity to have individual five-minute appointment with your son/daughter's subject teachers. You will be able to discuss your child's progress and ask questions linked to their work in and out of College.

This year we will be running a hybrid system of some in-person parents' evenings and some online virtual evenings. Combined with our Student Progress Review days, this will give you four opportunities to meet in College with staff face-to-face and three opportunities to meet virtually.

Our schedule for Parents' Evenings this year is detailed below and is designed to facilitate maximum opportunity for parents to speak to their child's teachers at an appropriate time in the year. For both in-person and virtual evenings there will be a 48-hour priority booking slot for the key subject/year groups detailed below. After this time the remaining appointments are opened to all year groups for all subjects.

Date	Type of Parents Evening	Core subjects (English, Maths, Science)	Foundation subjects (All other subjects)
