

# CROOKHORN COLLEGE

May 2023

Dear Parent/Guardian  
**Crookhorn College Uniform Bank**

As a parent of one of our Year 11 students you will be well-aware that their time here at Crookhorn is drawing to a close.

We would like to ask if, in light of your child's imminent departure, you would consider donating some of their College uniform and/or PE kit to the College.

We understand that many Year 11 students will have younger relations to whom College clothing may be given, but if this is not the case we would be very grateful to receive any blazers, jumpers, tank-tops, ties, PE shirts or football boots that are no longer required.

We will use your donations to ensure that all our students have access to College uniform either on a temporary or permanent basis and this will help us to maintain the high expectations and standards we have for our students and the College as a whole. We will also pass some of the donations to the College's 'Parents' Association' and these will be used to help with the association's continued fundraising efforts.

The PE department hope to run a 'swap shop' with the donations of PE kit to help build stock for the 'shop'. The idea is as students grow throughout the year; they will be able to trade in items of their outgrown kit for the next size up, without charge.

If you are happy for uniform to be donated, items can be handed in directly to Reception. Donations can be made only after each student has completed their final day of attendance.

Thank you for your support.

Yours sincerely

Mrs S Bennett  
Headteacher
