

CROOKHORN COLLEGE

October 2023

Dear Parent/Guardian

On **Friday 20th October** we will be holding a "Community Action Day". Students are invited to pay £1 for the opportunity to wear **sensible, casual clothes**.

This clothing might well follow a theme that their House has chosen. Please be aware that students are not permitted to wear crop tops, extremely short skirts or shorts, ripped jeans or t-shirts with inappropriate slogans.

The money raised will go to support College Projects which will be identified by the Student College Council. We would also like to support the local foodbank so if your child is able to bring a tin or packet of dried food on the day it would be much appreciated.

Yours sincerely

Mrs S Bennett
Headteacher
