

BRIDGING THE GAP 2024 - Final revision planner (Version 6)

When you get this booklet you will have a very short time left at Crookhorn and it is imperative that this time is used wisely to prepare for your exams. Your formal lesson timetable continues up to the afternoon of the **13th of June**. From the **13th of June** after the Leavers' Assembly, study leave starts and students are expected to attend their revision sessions and exams only. This Revision Planner is essential in the organisation of your lessons and revision sessions up to and during your exams. After the start of May, many of your normal lessons will be replaced with key revision sessions for particular subjects, just prior to the exam for that subject. The revision sessions ARE NOT voluntary and you are expected to attend each and every one both before the start of study leave and afterwards (from the **13th June**). You are expected to wear full college uniform at all times.
Remember all morning exams start promptly at 9am (be lined up at 8.50am). Good luck.
